

## Studio Elite COVID Procedures

During this uncertain time Studio Elite is doing everything possible to make sure all our staff and students remain safe.

- If you are sick, or have a fever or cough (not allergy related) please stay at home.
- If you have been exposed to someone with COVID, please stay at home for at least 10 days after determined exposure
- Our lobby will remain closed while NC is in Phase 2. Please walk your dancer up to the door and drop them off for class. There will be an adult in the lobby to wait with them. Please don't bring them to the door any earlier than 5 minutes before class. If you need to speak with Pam, please wait for the lobby to clear of dancers and come inside. Any adult entering the lobby needs to wear a mask.
- Once class is over, their instructor will bring them to the lobby. Please come to the door to pick them up.
- There will be no access to the water fountains. If your child needs water, please send a water in with them. The best way is a water bottle with a non-removable top to help with spills. Water only though, no soft drinks please!
- Any frequently touched objects will be sanitized after use. Ballet Barres and gymnastic mats are an example.
- Each dancer should only bring one bag with them containing their dance shoes. Please leave all toys in the car.
- Dance bags will be stored in our cubby areas in dance rooms; dancers will place bags and access bags during class one at a time to aid with separation. Please make sure your dancers name is on the OUTSIDE of their dance bag.
- Your dancer is welcome to wear a face mask. We will leave this up to parental discretion. If you want them to wear a mask during class, please discuss this with your dancer so that they don't remove their mask. If an instructor notices a dancer with a mask on is having difficulty participating or is playing with the mask, they will be asked to place the mask in their dance bag.
- Each room is equipped with an automatic hand sanitizer dispenser. Dancers will be asked to sanitize hands when they arrive to class and when they leave class.

Thank you for choosing Studio Elite as your dance studio! We are thrilled to have your dancer with us for the 2020-2021 season.
